- Dual-Monitor Workstation
- Backup Power • Redundant Internet
- 100% Operational Uptime
- Async Documentation
- Flexible US Timezone Availability

PROFESSIONAL EXPERIENCE

Inside Sales Specialist (Remote)

March 2026 – Present

Bloom • College Hunks Hauling Junk & Moving (CHHJ) • Remote

- ▶ **Inbound Sales:** Handle high-volume inbound customer calls — qualifying prospects, providing service quotes, and converting inquiries into confirmed moving and junk removal bookings for a leading North American franchise.
- ▶ **Outbound Support:** Support targeted outbound sales initiatives during peak periods, proactively reaching warm leads to drive additional booking volume.
- ▶ **Customer Issue Resolution:** Serve as first point of contact for complaints and service concerns — resolving issues directly where possible and routing complex cases with full documentation.
- ▶ **Remote Infrastructure:** Maintain a professional dual-monitor workstation with backup power and redundant internet — ensuring **100% operational uptime** for a US-based client.

Full-Time Missionary

Oct 2023 – Oct 2025

The Church of Jesus Christ of Latter-day Saints – Tanzania Dar es Salaam Mission • Tanzania

- ▶ **A Call Answered with Honor:** Served full-time in Tanzania for two years — entering an entirely new country, culture, and language — and returned with honour, deeper character, and a broader understanding of the world.
- ▶ **Language & Cultural Immersion:** Learned Swahili from the ground up; progressed to teaching, counselling, and building lasting relationships entirely in Swahili with professional fluency.
- ▶ **Teaching with Clarity and Heart:** Taught daily to individuals and families across vastly different backgrounds — developing deep listening and clear cross-cultural communication skills.
- ▶ **Adaptability:** Built genuine trust in unfamiliar environments through humility, patience, and a sincere desire to serve people exactly where they are.

Direct Sales Representative

2023

M-KOPA Kenya · Nairobi, Kenya

- ▶ Recognised as a **Top 20 Sales Specialist** (Eastern Region); appointed to the exclusive **“Super Squad”** cohort.
- ▶ Averaged **7 mobile phone financing deals per week** through disciplined pipeline management.
- ▶ Maintained **Quality of Sales (QOS) > 95%** across consecutive quarters.

Inside Sales & Technical Representative

Mar 2022 – Mar 2023

M-GAS Kenya · Nairobi, Kenya

- ▶ **Account Growth:** Grew the active customer portfolio from approximately **200 to 350 accounts** — a 75% increase — through proactive prospecting and consistent customer engagement.
- ▶ **60% Consumption Growth:** Increased average LPG consumption from **2.5 kg to 4.0 kg per customer** through consultative account management and tailored usage guidance.
- ▶ **Smart Metering:** Monitored usage data to proactively re-engage low-activity accounts before churn.
- ▶ Installed and maintained LPG systems for residential and commercial customers; translated technical concepts into clear, customer-friendly language.

EDUCATION

Software Development

Currently Enrolled

BYU Pathway Worldwide

- ▶ Programming Fundamentals · Web Development · Cybersecurity · Software Engineering Principles

Kenya Certificate of Secondary Education (KCSE)

2016 – 2019

Kasikeu Boys High School

CAREER GOAL

Working toward a **Technical Account Manager → Solutions Engineer** role at a global SaaS or fintech company — combining customer-facing expertise with growing technical product knowledge. Long-term goal: a **leadership position** in customer success or solutions engineering.

LANGUAGES

English — Full Professional Proficiency **Swahili** — Professional Fluency (Acquired in Tanzania)
